# How to organize an essay

## ESSAY TITLE

## INTRODUCTORY PARAGRAPH

Write the topic sentence here. Write the first supporting sentence here. Write the second supporting sentence here.

## BODY

Develop the first supporting paragraph here. This paragraph should be related to the first supporting sentence in the introductory paragraph.

We should develop the second supporting paragraph here. This paragraph should be related to the second supporting sentences in the introductory paragraph.

## CONCLUSION

Write a conclusion for your essay here. The conclusion always goes back to the main idea of the essay stated in the introductory paragraph.

## Example

### **INTRODUCTORY PARAGRAPH**

I prefer pizza to pasta. I like it because it is simpler to cook and easier to serve.

### **BODY**

Pizza has always been a very good option at home. Whenever we invite people to come over, it takes us just a few minutes to prepare it and cook it. Besides it can be served on paper napkins and eaten with the hands.

### **CONCLUSION**

Therefore, when it comes to getting together with the family or some friends, preparing pizza might be the easiest, fastest and most practical option.
